

Comprehensive School Package 9-step timeline

1 Launch Questionnaire

Client provides full background information about professional, academic and extra-curricular achievements. The goal is to generate an exhaustive document of achievements, setbacks, passions, perspectives, career goals, potential areas requiring explanation and wider areas of personal interest to feed into the Strategic Positioning analysis, development of the resume narrative, and selection of recommenders.

2 Strategic Positioning

Phone call with Expert Coach to develop a clear storyline and personal branding, with a plan for mitigating any weaknesses. Establish a written candidate evaluation, with specific reasons for you to not just apply to a given list of schools, but understand WHY these schools are a fit for your own profile. Brainstorm essay approaches, and provide feedback until we are sure your essays express clearly what is unique and compelling about your story. How to best prepare recommenders to write an impactful letter on your behalf.

3 1st Draft of Essays

Client produces initial draft of target school essays based on Strategic Positioning - the idea is provide multiple examples of leadership and outstanding achievement from professional, academic and community experience. Also develop clear and detailed post-MBA career vision.

4 Essay Review 1

Fortuna Director and Expert Coach to provide phone and written review of first draft - holistic overview, selection of compelling accomplishments and illustrations of achievements, flow of essays, clear directions for subsequent rewrite.

5 2nd, 3rd Drafts of Essays

Based on Essay Review 1, client implements recommendations for content, amendments, structure and style. This includes the final choice of accomplishments and characteristics, and refinement of post-MBA career vision.

6 Essay Review 2, 3...

Fortuna Director and Expert Coach to provide phone and written review of second draft - includes issues of clarity and style, word length. Fortuna provides clear written directions for subsequent editing changes. Essays continue to be drafted and reviewed until they satisfy the Fortuna Director.

7 Final Review and Submit

Final review of entire application with Fortuna Director and Expert Coach. Any remaining modifications, and fine tuning of essays. Verifying status and input from recommenders. Last-minute questions.

3.1 Letters of Recommendation

Based on Recommender Strategy session, client to approach recommenders with template of characteristics and examples to develop, setting clear deadline for return of sample letters.

4.1 Resume and Social Media

Fortuna to work on client resume to provide coherent narrative and compelling quantifiable examples of skills and levels of responsibility - results achieved, leadership, team building, analytics, persuasiveness, etc We also review your social media presence for content and strategic interests

5.1 BioData Application Forms

Accompany client with completion of application form. Handle any questions about transcripts and ambiguities related to studies and professional experience, formulate explanations for chronology or absence of material, recommenders details, social media presence, etc

8 Interview Prep

We will brief you on what to expect and then conduct a mock interview via Skype, providing feedback and coaching to enhance performance. You will be interview ready, not over rehearsed, and able to speak with confidence, reflect on past experiences and clearly convey your future potential.

3.2 School research & outreach

Fortuna helps clients with targeted b-school research and outreach, through extensive alumni networks, clubs and associations, faculty research and career opportunities, to reinforce familiarity and understanding of the institution - it's personality, it's people and it's 'fit'

5 Director Review

Fortuna Director undertakes full review of application to share gatekeeper insights and recommendations at the highest level of admissions.

9 Decision Making

Whether you are choosing between multiple offers, or you are a waitlisted candidate, we'll provide smart and informed advice on next steps.
