WORK EXPERIENCE

Empreendimentos Agropecuários Santo Rey

Family-owned agribusiness operating ~4,324 acres across soybean and corn production and beef cattle, generating >US$5M in annual revenue

Managing Director | Nova Cantu, Paraná, Brazil **December 2021 – Present**

Strategic Advisor & Part-Time Operations Analyst| Nova Cantu, Paraná, Brazil **June 2014 – December 2021**

- Lead end-to-end operations across ~2,718 ac of soybean and corn cultivation and ~1,606 ac of cattle pasture, managing a US$4M annual operating budget, 21 employees, and relationships with agronomists, consultants, suppliers, and legal advisers.
- Manage ~US$2M in soybean production, ~US$600K in corn production, and ~US$2.4M in annual cattle sales; negotiate major agricultural inputs and US$300K-US$1M in annual futures contracts, hedging 15%–50% of soybean production.
- Oversee cattle operations averaging approximately 2,000 head across the year, with seasonal capacity ranging from 1,650 to 2,300 head; manage annual purchases of approximately 1,700 cattle and sales of 2,250 cattle.
- Turned cattle operations from a US$175 loss/ha in 2020-21 to sustained profitability from 2023-24, reaching US$135 profit/ha in 2024-25 and reversing 7 consecutive loss-making cycles through improved grazing, pasture fertilization, lower-cost supplementation, and tighter capital controls.
- Improved soybean performance from 21st to 1st in Inttegra's profit-per-hectare benchmark within two cycles, maintaining top 4 performance the following year. Increased inflation-adjusted soybean operating result from US$544 to US$810 per hectare, while productivity rose from 72 to 88 sacks per hectare.
- Lead tax, labor, environmental, and legal matters with external advisers, implementing new compliance measures, reviewing employee incentives and benefits, and developing corrective strategies for historical tax and accounting issues.'

Sirama Participações Societárias Ltda.

Family-owned industrial group generating >US$300M annually across cement, lime, waste, and energy.

Shareholder & Board Observer | Curitiba, Paraná, Brazil **March 2023 – Present**

- Participate in board discussions and review the group's financial performance, operating priorities, capital allocation, and long-term growth strategy; exercise shareholder oversight through an appointed board representative.
- Provide input on major strategic decisions across Cimento Itambé, Concrebras, Novo Horizonte, Rio Bonito, and Itambé Energética, spanning cement production, concrete, agricultural lime, residue disposal, and hydroelectric power.
- Contribute to the development of growth opportunities for the group's agricultural lime business, including evaluating geographic expansion, market demand, commercial positioning, and synergies with large-scale farming operations.
- Appointed as a Council Member of Itambé Energética in April 2026

Family Office

Family investment platform overseeing more than US$20M across financial investments and personal real estate assets.

Investment Manager | Curitiba, Paraná, Brazil **January 2023 – Present**

- Oversee >US$10M in financial assets, reviewing performance, asset allocation, and major portfolio changes; recommend adjustments to equity exposure and local real estate fund holdings based on market and tax conditions.
- Led the selection of replacement wealth managers following BNP Paribas's exit from Brazil, evaluating providers across cost, performance, service model, and local suitability and coordinating the transition of >US$5M in assets.
- Coordinated the tax restructuring and reporting of ~US$5M in offshore investments following Brazil's 2023 reforms, selecting appropriate models for the active and passive portfolios along legal and accounting advisers.
- Advise on strategy, capital allocation, and major investments across affiliated family businesses including a forestry company called F. Slaviero & Filhos S.A (>US$10M yearly revenue), a Ford dealership (>US$75M yearly revenue), and a >US$10M urban real estate portfolio.
