EMPLOYMENT

Goldman Sachs, New York, NY

External Investing Group (XIG) - ***Portfolio Construction Vice President*** **January 2025 - Present**

External Investing Group (XIG) - ***Portfolio Construction Associate*** **January 2023 - December 2024**

- Direct trading and oversee activity for multiple $1bn+ 40ACT, UCITS, and SICAV long-only portfolios
- Monitor and book redemptions across the hedge fund business; Create redemption and liquidation schedules for clients
- Construct mandate reviews for key client accounts and present to portfolio managers during investment committee meetings
- Structure portfolio proposals for existing and prospective clients, adhering to liquidity, risk, and regulatory based guidelines

External Investing Group (XIG) - ***Platform Management Implementation Associate*** **January 2022 - December 2022**

- Managed a team of four to facilitate the planning, execution, and investment implementation of portfolio/trading activity within the hedge fund and long-only verticals as part of the public markets' platform
- Supported the liquidity analysis process, ensuring the use of accurate cash projections, up-to-date liquidity terms, and expenses for the launch, maintenance, and liquidation/dissolution of portfolios
- Oversaw client onboarding activities and coordinated the launch of new money portfolios and investment structures across sales channels and groups outside of XIG

External Investing Group (XIG) - ***Platform Management Implementation Analyst*** **December 2019 - December 2021**

- Lead the end-to-end monthly monitoring of investment ownership percentages (data collection, quality control review, and final analysis with presentation to senior management) to comply with Volcker and Bank Holding Company Act
- Summarized and communicated key details of fund term changes, capital returns, and proxy votes to portfolio managers for the accurate implementation of fund-of-fund and separately managed account specific decisions
- Liaised with 30-50 fund managers and administrators per month to communicate and ensure accurate processing of subscription and redemption activity as well as secure replacement capacity if pertinent

Morgan Stanley, New York, NY

Wealth Management - ***Registered Associate*** **August 2018 - December 2019**

- Served as the initial point of contact for clients' everyday needs; focused on opening and trading for accounts, conducting research, and executing IRA/trust income distributions
- Ran and evaluated performance reports to provide clients with a detailed view of their financial health

RELEVANT EXPERIENCE

CFA Institute Research Challenge, Marist College **October 2017 - April 2018**

- An annual global competition in financial analysis; Our team of five researched and analyzed Domino's Pizza Inc., ultimately initiating a hold recommendation, with guidance from an industry mentor

The Greystone Equity Fund, Marist College **September 2017 - December 2017**

- A student managed investment fund, with seed capital of $100,000 from the Marist College endowment. Holdings are determined by stock screenings, research, and analyzation with year-end stock recommendations

The Greystone Fixed Income Fund, Marist College **January 2017 - May 2017**

- An in-depth class which provides vast coverage of the fixed-income market; Utilization and understanding of bootstrapping, duration, convexity, and convertible bond analysis are necessary to help maximize returns
