São Paulo, Brazil | Dual Citizen (Brazil / Italy) | +55 (11) 98223-3205 | giorgioox@gmail.com

EDUCATION

Insper – Instituto de Ensino e Pesquisa São Paulo, Brazil
B.Sc. in Economics *Graduated in 2024*

- Achieved a top 10 ranking in the Insper entrance exam
- Finance League – applied financial analysis and valuation projects across multiple industries

PROFESSIONAL EXPERIENCE

Patria Investments São Paulo, Brazil
Private Equity Senior Analyst *Jan 2023 – Present*

Promoted from Intern → Analyst → Senior Analyst within 3 years. Experience regarding the full PE lifecycle including c. R$2bn (US$400m) in transactions and direct collaboration with executive teams to turn strategic priorities into operating plans

Core Activities

- Develop investment theses and lead analyses and execution workstreams supporting capital-allocation decisions across multiple investment platforms, spanning origination, end-to-end M&A, post-acquisition value creation and exit planning
- Drive strategic and operational agendas within portfolio companies alongside their C-level, including new revenue streams, budget construction, KPI frameworks, data analysis and performance-tracking routines
- Led the creation of a new vertical and revenue stream at Allterra, one of the platforms under management, heading the commercial, product, and marketing workstreams that built Cover Crops into a core pillar of the investment thesis
- Manage the M&A pipeline and target relationships, coordinating internal teams and external advisers, prioritising opportunities and setting execution timelines
- Evaluate and support the implementation of AI use cases across portfolio companies, connecting data analysis, KPI tracking and operational-performance insights to management decision-making

Achievements

- Executed three platform acquisitions (7 M&As): Allterra (Biotechnology), Crop Care (Ag inputs), Delta (Soybean seeds)
- Built and launched Allterra's Cover Crops vertical, securing board approval and leading a 20+ person cross-functional team across commercial, product, and marketing from market thesis and financial model through commercial execution
- Selected by Patria to lead benchmarking in the US with the global category leader in cover crops, setting technical and commercial reference for the vertical's build-out
- Consistently rated in the top performance category across every review cycle

Condere São Paulo, Brazil
Investment Banking Intern *July 2022 – Dec 2022*

- Built financial models and valuation reports across multiple sectors including financial institutions and technology; assisted in six concurrent mandates

ADDITIONAL ACTIVITIES

Gerando Falcões São Paulo, Brazil
Strategic Consultant – Volunteer *Ongoing*

- Member of a Patria pro bono team developing new revenue-stream opportunities for one of Brazil's leading social-impact organisations

Pastoral de Rua São Paulo, Brazil
Community Volunteer *Ongoing*

- Weekend volunteer work supporting underprivileged communities through activities, food, and donations for children
