WORK EXPERIENCE

TresVista Analytics LLP (Strategic Partner to Global Asset Management Firms) Bengaluru, India

Executive Vice President, CEO's Office – AI Transformation (Promoted six months early) Jul 2026 – Present

- Built pricing and GTM strategy with the Chief Product Officer for AI-enabled invoice/payment processing; modeled a ~$5M three-year revenue opportunity and moved 3 AI vendors from upfront licensing to co-selling, signing the first deal in Aug 2026
- Redesigned performance metrics for 150 delivery staff, replacing billable-hour/utilization targets that discouraged AI adoption with measures that rewarded productivity gains; increased AI use on live client engagements from 15% to 40%

Vice President, CEO's Office – AI Transformation May 2025 – Jun 2026

- Selected for the CEO staff cohort as 1 of 10 from ~2,000 and entrusted with the AI transformation mandate across Financial Process Services ($10.5M revenue, 150 client-dedicated analysts) and Commercial, supporting the firm's $80M revenue base
- Performed market assessment of 30 AI platforms and secured a $200K deal with RapidCanvas as the firm's development platform
- Led a 10-person US/India team to build 2 AI products: a data extraction tool projected to save ~60K analyst hours a year, and a lead-generation tool that reactivated ~$10M in pipeline from uncontacted conference leads
- Replaced client-specific builds with a single configurable product despite the build partner's pushback, cutting deployment costs by $276K and converting a services engagement into a scalable product for 20 private equity clients ($5.6M in annual revenue)

Vice President, Research & Investment Services Jan 2024 – Apr 2025

- Led a 20-person associate and analyst pod serving 10 clients/$2M in contracted revenue, owning hiring, staffing, development, and quality control; maintained 15% attrition vs. 35% firm-wide while sustaining delivery across the portfolio
- Turned around a family office engagement that had operated below 30% utilization for ~3 years by tightening quality and running sustained senior-client outreach; grew account from 1 to 4 FTEs, increasing annual revenue by 4x to ~$400K in 1 year

Senior Associate, Research & Investment Services (Promoted twelve months early) Jan 2023 – Dec 2023

- Received TresVista's GEM (Going the Extra Mile) Award, awarded to 1 employee per designation per office location
- Worked directly with Corporate Development Partner at a global VC firm ($2B+ capital raised), expanding the engagement from 1 to 3 FTEs (~$200K added annual revenue) through portfolio-company support across M&A and fundraising
- Expanded investor access across the VC firm's portfolio by identifying high-fit investors, managing targeted outreach, and facilitating nearly 300+ meetings across 3 editions; helped advance $100M+ of active fundraising across 3 portfolio companies
- Selected among 15 to launch TresVista's Bengaluru office, building core processes as headcount grew to 500+ within three years

Associate, Research & Investment Services Pune | Jan 2021 – Dec 2022

- Conducted diligence on $5B+ of PE opportunities, supporting fund commitments, co-investments, and portfolio decisions
- Scaled asset manager's private equity engagement from 2 to 12 FTEs within 8 months, adding ~$1M in annualized revenue

Senior Analyst, Research & Investment Services (Promoted six months early) Pune | Jan 2020 – Dec 2020

Analyst, Research & Investment Services Pune | Jun 2018 – Dec 2019

- Lead analyst on multiple consumer-sector mandates totaling $1B+ for a US mid-market investment bank
- Built DCF/LBO/comps and transaction models; contributed to CIMs and pitch materials across active deals

EDUCATION

GURU GOBIND SINGH INDRAPRASTHA UNIVERSITY New Delhi | Aug 2014 – May 2018

Bachelor of Technology in Computer Science & Engineering (Percentage: 73.45%; First Division)

- Co-founded Entrepreneurship Cell, scaling it from a 5-member team into a university-wide platform; secured $25K in funding, built a 40-member team, and launched 10+ programs spanning startup competitions and internship fairs, reaching 800+ students
- Internships: Guild Capital, researching economic agglomerations, earned 100% bonus; IIM Ahmedabad, applying TOPSIS-based frameworks for a pharmaceutical client; American Express, building internal collaboration, earned a VP recommendation
- Co-founded Alume.co to help colleges build structured alumni networks across mentorship, internships, referrals; developed platform and ran pilot; learned how stakeholder alignment and adoption constraints can shape the viability of a new product

Passed Level I of the CFA Program
