Kendall Rose Gardner

PROFESSIONAL EXPERIENCE

PARKER HANNIFIN (Aerospace and Industrial Manufacturing)

SAP Project Manager Portland, OR

Global SAP Team, Aerospace Group *January 2025 - Present*

- Directed project management for Parker's first dual-site SAP implementation across France and Vietnam, coordinating an 80-person team across five countries and supporting deployment to 1,200 end users; managed timelines, executive steering committees, testing, data cycles, and travel-budget development and tracking
- Led large-scale enterprise software implementation establishing an Aerospace Group-wide template that is ready for deployment across 20 additional sites, including standardization of finance processes, reporting, and integration of 19 external systems
- Drove adoption within a change-resistant business unit through targeted communications and on-site leadership; delivering an on-time system cutover, go-live, and operational transition
- Partnered with the Project Management Office to redesign the SAP risk-reporting governance, creating a standardized framework that improved executive oversight and decision-making

SAP Project Manager Portland, OR

Supply Chain Leadership Development Program, Aerospace Group *August 2024 - January 2025*

- Developed and executed change communications for an SAP server migration impacting end users across 23 business units, translating migration requirements into clear actions to support business continuity
- Coordinated migration activities across 3 internal teams and 2 hosting providers, escalating risks and dependencies across migration phases to keep execution on track

Supply Chain Specialist McMinnville, OR

Supply Chain Leadership Development Program, Engineered Materials Group *July 2023 - August 2024*

- Led recovery of a critical supplier through root-cause analysis and corrective action planning, increasing on-time delivery from 55% to 95%
- Built and implemented an automated SAP planning tool, saving 26 hours weekly and $51K annually; trained the planning team on adoption leading to a 99% on-time release of production work orders which improved the 12-month rolling average of customer satisfaction by 10%

Integrated Product Procurement Team Lead Akron, OH

Supply Chain Leadership Development Program, Aerospace Group *September 2022 - July 2023*

- Led capacity reviews across 50 suppliers covering 98% of active platform components, identifying constraints and driving supplier improvement plans to meet increased demand
- Reduced sub-component shortages from 68% to <2% of the Bill of Materials by resolving supplier bottlenecks, securing additional equipment, and identifying alternative suppliers

GOLDEN GROUNDS COFFEE CO. (Now "The Borough") Allendale, MI

Co-Founder & Co-Owner *June 2020 - July 2022*

- Co-founded artisan coffee venture and led concept-to-launch in 14 months amid COVID-19, building the business plan, budget, and operating model and securing funding
- Negotiated supplier and partner agreements and managed contractors through permitting, construction, equipment installation, and opening
- Drove 8% average month-over-month sales growth following launch through implementation of operational best practices

EDUCATION

Michigan State University, Broad College of Business East Lansing, MI

Bachelor of Arts in Supply Chain Management *August 2018 - May 2022*

- Major GPA: 3.9; Cumulative GPA: 3.8. Dean's List; Graduated with high academic honors
- Internships: Gentex Corporation Logistics Intern & Resident Reach Digital Marketing Intern

EXTRACURRICULAR & VOLUNTEER

- ***Parker Meggitt Leadership Development Program:*** Selected as 1 of 9 participants (<1% of applicants) for three cross-functional rotations; sole Supply Chain representative in cohort
- ***Engagement Team Chair, Parker Hannifin Young Professionals BRG*****:** Supported expansion across 18+ countries and rollout of an internal networking platform reaching 500 active users within 5 months
