EDUCATION

The Hong Kong University of Science and Technology (HKUST) **Hong Kong**
Bachelor of Business Administration in Finance *Sep 2015 – Nov 2022*

- **Academic Honors:** Second Class Honors, Division I (Cumulative GPA: 3.43 / 4.30)
- **Fosun Young Fellowship:** Selected for group fellowship program sponsored by Fosun International, securing a selective undergraduate placement at Peak Reinsurance
- **Campus Engagement:** Korean Investment Club; HKUST Business School Mentorship Program Mentee

PROFESSIONAL EXPERIENCE

HSBC **Hong Kong**
Senior Investment Analyst, Global Insurance (Promoted from Investment Analyst) *Apr 2024 – Present*

- Managed a $13bn Private Equity (PE) and Infrastructure Equity (IE) portfolio across regional balance sheets, monitoring capital allocation across 200+ funds managed by 30+ top-tier global GPs.
- Spearheaded manager due diligence and underwriting for alternative fund commitments, evaluating 20+ fund opportunities totaling $2.2bn and leading deal execution on 6 allocations exceeding $400m.
- Screened and underwrote co-investment opportunities (typical $60m ticket); safeguarded capital by advising against a Korean medical aesthetics deal after identifying GP track-record gaps and cross-border expansion risks.
- Drove portfolio analytics for the Regional Investment Hub Forum across Hong Kong, Singapore, and China entities; designed automated tracking frameworks for multi-billion-dollar distribution pacing and risk exposures.

Shinhan Bank **Hong Kong**
Associate, Principal Investment *Jul 2022 – Apr 2024*

- Oversaw a $120m+ proprietary private equity portfolio with typical $10m fund commitment tickets; conducted quarterly NAV assessments and cash flow tracking across 15+ alternative assets.
- Executed the desk's inaugural Continuation Vehicle (CV) deal, underwriting an AUD 5m commitment in an Australian healthcare staffing agency; built independent valuation models by adjusting sponsor projections and evaluating trading/precedent transaction comps to secure Investment Committee approval.
- Directed end-to-end investment due diligence and authored comprehensive IC memoranda for APAC private equity allocations, evaluating GP track records and stress-testing fund cash distribution profiles.

INTERNSHIP EXPERIENCE

HSBC **Hong Kong**
Student Co-op, Global Insurance *Jul 2021 – Dec 2021*

- Monitored investment performance and multi-asset exposures for insurance entities; earned strong team endorsement leading to subsequent lateral rehire as Senior Analyst.

Korea Ratings (Fitch Ratings Subsidiary) **Seoul, South Korea**
Intern, Infrastructure Team *Jan 2021 – Mar 2021*

- Drafted investment feasibility advisory reports on EU telecom and Indonesian energy assets for asset managers; reviewed Power Purchase Agreements (PPAs) and revenue off-take structures to evaluate viability.

Quantum Ventures Korea **Seoul, South Korea**
Intern, Investment Team *Aug 2020 – Sep 2020*

- Authored 8 market research reports on emerging tech sectors (LiDAR, Low-Code) to evaluate venture investment targets.

Peak Reinsurance **Hong Kong**
Intern, Underwriting Team (via Fosun Fellowship) *Jan 2019 – Jun 2019*

- Maintained treaty and facultative policy pipelines; tracked underwriting documentation across Greater China property reinsurance portfolios in corporate systems.
