PROFESSIONAL EXPERIENCE

Morgan Stanley **Miami, FL**
PWM & Graystone Consulting Investment Analyst **July 2023 - Current**

- Helped bring over $1B+ in new AUM by delivering tailored, multi-asset portfolio proposals and solutions to clients in the US, Latin America and Europe.
- Authored 10+ institutional Request for Proposals, contributing to meaningful client acquisitions across various segments including non-profits, corporations, universities, endowments and foundations.
- Delivered daily market insights and portfolio reviews with clear, impactful presentations to institutional clients, RIAs, and UHNW families in English and Spanish.
- Executed daily trades across equities, fixed income and options, ensuring compliance and best execution.
- Led the alternative investments segment of the team, sourcing and evaluating private market deals, hedge funds, private equity, and real assets for discretionary and advisory portfolios.

Goldman Sachs **Parsippany, NJ**
Executive Financial Management Summer Analyst **June – August 2022**

- Analyzed and presented investment opportunities and portfolio strategies across a wide variety of client scenarios and risk tolerances.
- Created and updated client meeting materials such as financial exhibits, private asset commitments, performance reports and income tax projections, alongside future recommendations.
- Collaborated with financial analysts and advisors to provide strategies to clients across all aspects of financial planning, including investments, tax planning, retirement planning and estate planning.
- Researched current topics, namely inflation, ESG and supply chain issues to deliver timely investment recommendations to the team.

Goldman Sachs **New York, NY**
Private Wealth Management Co-op **July – December 2021**

- Worked on the Product Management team to develop and refine the GS PWM Mobile App and Website.
- Received and sorted client feedback into actionable plans and roadmaps to further improve client platforms.
- Coordinated with design, engineering and product teams to deliver high quality solutions and features to clients and teams.

TIDWIT - The Digital Ecosystems Network **Reston, VA**
Sales and Marketing Intern **July - September 2020**

- Revamped the company website with Adobe Website Builder and added a company blog.
- Ran the Linked page to better inform clients; as a result, saw a 60% increase in page views.
- Scripted and directed educational and promotional videos to reach a broader range of firms.
- Utilized LinkedIn analytics and Excel to create potential client lists and presentations, which resulted in hundreds of new connections and business opportunities.
