SHORYA GUPTA

Chandigarh, India · +91 7888399959 · shoryagupta0374@gmail.com · linkedin.com/in/shorya-gupta-a0b63323

PROFILE

Computer Engineering student and startup founder combining a rigorous technical background with institutional problem-solving frameworks from Venture Capital and MBB strategy simulations. Proven track record of orchestrating cross-functional teams, managing seven-figure revenue frameworks, and closing elite enterprise partnerships (e.g., WeWork). Skilled in data-backed risk analysis, unit economics, and growth-stage market execution.

EXPERIENCE

Founder & CEO · *DRINC — Automated Beverage Startup* Jun 2025 – Jan 2026
Chandigarh, India

- **Led a cross-functional team of 5–10 members** across product development, supply chain operations, and marketing to build a smart hardware enterprise from zero to launch.
- **Negotiated strategic enterprise placement contracts** with tier-1 global coworking networks (incl. WeWork) and corporate office hubs, unlocking an aggregate addressable market of **16,000+ daily professional footprints**.
- **Secured incubator recognition** through targeted startup nominations and competitive ecosystem vetting at both **FIIT IIT Delhi** and the **IIT Madras Incubator**.
- **Modeled financial pricing tiers and executed a strategic pivot** to halt the pilot based on long-term unit economic limitations, successfully **preserving 100% of initial capital reserves**.

Marketing & Strategy Intern · *Fooddle* Aug 2024 – Jan 2025
Chandigarh, India

- **Orchestrated 3 high-impact B2B partnerships** and scaled digital food delivery infrastructure to capture **INR 10 Lakhs in revenue** across an active footprint of 12,000+ student users campus-wide.
- **Accelerated the business development pipeline** by delivering quantitative market analysis and enterprise-grade pitch decks, successfully resolving legacy logistical bottlenecks across regional campus hubs.
- **Streamlined vendor onboarding workflows**, collaborating cross-functionally with product and operations teams to align operational capacity with rapid, measurable community growth.

VC Analyst Fellow · *The VC Fellowship* Aug 2025 – Sep 2025
Remote

- **Selected as 1 of only 14 fellows from a highly competitive pool of 300+ applicants (top 4.6% acceptance rate)** based on commercial acumen and structured analytical potential.
- **Evaluated early-stage technology startups** on business model viability, operational scalability, founder capabilities, and market sizing (TAM/SAM/SOM).
- **Constructed institutional-grade due diligence frameworks** and engaged directly with institutional investors and founders to analyze startup economics and growth strategies for senior investment committees.

EDUCATION

Thapar Institute of Engineering & Technology 2024 – 2028
B.Tech — Computer Engineering Patiala, India

PROJECTS & INITIATIVES

Venture Lab Cohort · *Startup Ecosystem* 2024 – 2025

- **Participated in intensive startup evaluation sessions**, analyzing growth-stage operations, unit economics, and corporate GTM frameworks.
- **Collaborated cross-functionally across cohorts** to pressure-test business models, scalability constraints, and pitch structures.

ACHIEVEMENTS & CERTIFICATIONS

- **Aero Vision Bootcamp (NIT Jalandhar): Secured National Rank 4 out of 50 competing engineering institutions**; managed a cross-functional team of 5 engineers to design practical, scalable UAV use-cases under strict timeline constraints *(Dec 2025).*
- **BCG Strategy Consulting Job Simulation (Forage):** Executed practical business strategy tasks modeled on live BCG engagements, focusing on market entry optimization, cost-benefit analysis, and structured case analysis *(May 2026).*
- **Management Consulting Essential Training + AI (Udemy):** Mastered core consulting frameworks (MECE, Issue Trees, Case Analysis) and applied AI tools for automated market research and data analysis *(2026).*

SKILLS & TOOLS

- **Venture Capital & Consulting:** Deal Screening, Sourcing, Due Diligence, Cap Tables, Investment Memos, MECE, Market Entry Frameworks, Issue Trees
- **GTM & Product Strategy:** Product-Market Fit (PMF), User Cohorts, Product Strategy, B2B Enterprise Outreach, Strategic Partnerships, Pitch Decks, Unit Economics, Cost-Benefit Analysis
- **Technical Tools:** SQL, Advanced Excel (PivotTables, VLOOKUP), Python (Pandas, NumPy), Microsoft PowerPoint, CRM Basics, Google Workspace

EXTRACURRICULARS

- **Guitarist:** Trinity College London, Grade 3
- **Squash:** Competitive recreational player (balancing intensive engineering curriculum with rigorous athletic training)
